STATUTORY APPEAL U/S 23(4) OF CONSTITUTION OF
P.S.B R/W CL. 8(4) OF PAKISTAN CODE OF ETHICS &
GOVERNANCE IN SPORTS, 2024 (PCEGS) AGAINST
ORDER OF MR. SHAKIL DURRANI, LEARNED
ADJUDICATOR P.S.B DATED 18-08-2026 IN PETITION
NO.09/2026 TITLED AS MOHSIN NAWAZ VS P.L.R.A

Humbly Sheweth;

1. That being aggrieved of order dated 18-08-2026 passed by Mr. Shakil Durrani, Learned Adjudicator P.S.B (*herein after referred to as "the Impugned Order"*) communicated through official email vide letter of P.S.B dated 21st August, 2026, the Appellant, desires to invoke Appellate Jurisdiction of this Hon'ble Forum, since the facts relating to the Appellant herein below are necessary for adjudication of present Appeal and the grounds narrated therein after have been confined only to those as would comprehensively assist this Hon'ble Forum in rendering a just decision of the case.
2. That Respondent Mohsin Nawaz filed a petition u/s 23 of the Constitution of P.S.B aggrieved of Press Release dated 28-06-2026 passed by the Appellant/PLRA, which dispute was referred to the Learned Adjudicator who has passed the Impugned Order, operative part of his findings are reproduced below for a ready reference;

"... iii. It appears that the PSB did not take a firm and consistent stand on whether the blazer was awarded in accordance with any predetermined criteria or not. One moment the blazer was awarded the next it was withdrawn even as all parties admit that the petitioner was a national hero who

won thirty odd medals for the country. The benefit of the doubt should be given to the petitioner

iv. I, therefore am of the view that the penalties are very severe in relation to the charges against the petitioner who does not deserve these in the circumstances. However, to ensure that in future all athletes adhere to the rules it is essential that full compliance of the rules must be ensured and the authority of the PSB and federations respected. A written warning may be issued to the petitioner in this regard so that in future all athletes and federations adhere to the letter and spirit of the law. The PSB is authorized to review, accept or reject orders of the federations it considers contrary to the law under the circumstances of the case matters under appeal or review. All other penalties and restrictions imposed by PLRA against the petitioner stand cancelled."

3. That as a result the Impugned Order gives rise to the instant appeal as the same has been passed arbitrarily, unjustly, unfairly, void, illegal, unlawful, unwarranted and excess of jurisdiction / unconstitutional against the common principles of law, hence, the instant appeal is being preferred as no alternative and efficacious remedy is available to the Appellant, on the following grounds;

GROUND

- I.** That the Impugned Order is against facts & law, as the ambit of proceedings before Learned Adjudicator are equipped with the scope of work of resolution of disputes only to those which are referred to the him by the President P.S.B, none else.
- II.** That the Learned Adjudicator has not taken into account the pleadings / comments and other necessary documents available on record in consideration while passing the Impugned Order.
- III.** That the Learned Adjudicator has erred in law while passing the Impugned Order, as follows;

- a. As such disciplinary proceedings and such powers rest with the Pakistan Sports Board (P.S.B) only to the extent of affiliation, regulation & to promote sports industry etc. within the meaning of Section 20 of P.S.B Constitution, however, it does not provide any mechanism to intervene within the internal affairs of any Federation rather it promotes & validates the very acts of Federations within the meaning of **S.7(1)(xxxiii)**, (xl) & (xli) **and S.20(14)** of the P.S.B Constitution which reads as below for the able assistance of this Worthy Forum;

"7. **Powers, duties and functions of the Board.**—(1)
The Board shall have the following functions to perform, namely:-

...(xxxiii) *to affiliate, recognize, assist and guide the national games and sports organizations **in executing their programmes of sports activities**; [provisos]...*

...(xl) *to **consider and recommend the affiliation** of national games and sports organizations to international sports associations and federations;*

(xli) ***formulate and approve** vision and mission statements, strategic objections, rules, regulations, codes, operation manuals and to devise policies **relating to efficiency, discipline** and recruitment or any other matters for the players, player support personnel, Board's employees or **those affiliated with or controlled** by the Board;...*

20. **Eligibility Criteria and disciplinary proceedings...**

...(14) *The Federation shall be **autonomous** and resist all pressures of any kind, whatsoever, whether of a political, religious, racial or economic nature...."*

(Contd..) As long as the Powers of Learned Adjudicators to take action against any erring player is concerned, same can be only be entertained on reference by the President P.S.B if the Dispute Resolution Committee did not opt the inquiry proceedings to be initiated on an application of any aggrieved party.

- b. Since the Appellant / PLRA's Constitution is in well consonance / conformity with the Model Constitution of P.S.B; it has already been approved by the Worthy Board of P.S.B and is also in conformity with the intl. federations of the Sports' establishments, i.e. IOC/ICFRA which follows the spirit of Disciplinary Matters as envisaged in the Constitution of ICFRA; Whereas, Cl.12 of PLRA's Constitution provides a remedy for Arbitration and the Respondent / Mohsin Nawaz bypassing such remedy available to him opted the remedy of Dispute Resolution Committee prematurely which is illegal & unlawful.
- c. P.S.B's Constitution empowers PLRA's legal sanctity of the acts done under PLRA's Constitution itself without any intervention of anyone within the meaning of Cl.3 of the Code, 2024, as the Pakistan Code of Ethics only supplements and does not replace the disciplinary powers of its affiliated federations, relevant portion is reproduced below for a ready reference;

"3. Introduction:-...

*...Therefore, this Code does not contradict or interfere with the **autonomy** of national sports federations in **discharging** their **functions** and **duties**."*

- IV.** That the Learned Adjudicator has exercised jurisdiction not vested in it while passing the Impugned Order as the Impugned Order is not a speaking order covering all the facts & circumstances of the case, is

beyond pleadings; whereas the powers conferred upon the Learned Adjudicator as regards to impose sanctions under Cl.9 of Pakistan Code of Ethics and Governance in Sports, on a party only if he finds a violation amongst the violations provided in Cl.5 of the code, however, in the present case no violation as defined in Cl.5 of the Code is being reflected in the Impugned Order, nor the Impugned Order bespeaks any such sanction as provided in Cl.9 of the code, it is pertinent to mention here that **declaring** the penalties & restrictions imposed by the Appellant / PLRA against the Respondent / Mohsin Nawaz **as cancelled** is not warranted under the law.

- V. That Petition filed by the Respondent / Mohsin Nawaz is full of conjectures & surmises, calls dismissal with heavy costs.
- VI. That Impugned Order is bad in law as the mandate of Dispute Resolution could only result into an award of success or failure, stating the reasons therein, exercising powers in terms of rendering a judgmental order is not warranted within the framework of sports laws & procedure.
- VII. That Impugned Order suffers from material irregularity & illegality, liable to be set aside.
- VIII. That no illegality or irregularity is pointed out in the Press Release of the Appellant / PLRA on face of record in the Impugned Order.
- IX. That the Respondent cannot be permitted to clad itself with the barring rule after committing wrong and causing indiscipline by putting the Appellant's overall rights, powers & privileges in jeopardy.
- X. That the Impugned Order is patently illegal, unlawful, arbitrary, unjust, misuse of authority, ineffective, in-operative, thus, liable to be set aside.

- XI.** That if the instant Appeal is not allowed, the Appellant shall suffer with an irreparable loss.

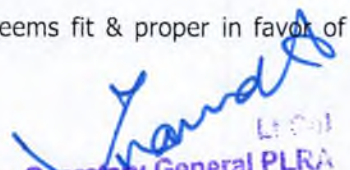

PRAYER

In view of the above facts & circumstances of the case, it is, therefore, respectfully prayed that the instant appeal may graciously be allowed while setting aside the Impugned Order dated 18-08-2026 to the extent of adverse finding passed by Mr. Shakil Durrani, Learned Adjudicator P.S.B declaring it as being passed arbitrarily, unjustly, unfairly, void, illegally, unlawfully, unwarranted, misuse of authority, ineffective, in-operative and excess of jurisdiction / unconstitutional against the common principles of law, however, the same order may be upheld to the extent of recommendations for issuance of warning to Respondent / Mohsin Nawaz, whereas petition filed by Respondent Mohsin Nawaz including misc applications may kindly be dismissed with special costs in the best interest of justice.

Any other relief which this Hon'ble Forum deems fit & proper in favor of the Appellant may also be awarded.

IN THE OFFICE OF MR. SHAKIL DURRANI ADJUDICATOR
PAKISTAN SPORTS BOARD

Petition No. 9 of 2026

ORDER

Date: 18-08-2026

Present:

Khwaja Azhar Rasheed — Representative/Authorized Assignee on behalf of the Petitioner.

Komal Malik Joyia — Representative/Authorized Assignee on behalf of the Petitioner.

Abdul Rehman Sheikh, Respondent's Assignee, duly authorized by the Pakistan Long Range Rifle Association (PLRA),

ORDER OF THE ADJUDICATOR IN THE MATTER OF THE PETITION FILED BY MR. MOHSIN NAWAZ AGAINST PAKISTAN LONG RANGE RIFLE ASSOCIATION (PLRA)

The instant petition relating to the Pakistan Long Range Rifle Association (PLRA) and the Pakistan Sports Board (PSB) was received on 23rd July 2026. The petitioner, Mr. Mohsin Nawaz, has challenged the disciplinary action taken against him by the PLRA. He has assailed the decision before the Pakistan Sports Board which has appointed the undersigned, Shakil Durrani, Executive Director GIK Institute, former Chief Secretary KP and Sind as the Adjudicator. The following two charges were levied against the Petitioner and penalties mentioned below imposed:

- i. Wearing and displaying an unauthorized Pakistan Long-Range shooting national colours on national media and
- ii. Appearing on national media without obtaining NOC from PLRA

Penalties imposed

- i. A three-year ban from representing Pakistan or participating in any International Long-Range shooting competition, championship, training activity, or official delegation conducted, recognized, sponsored or facilitated by PLRA.
- ii. withdrawal of all existing PLRA endorsements, nominations, recommendations, and 'No objection Certificates' relating to international participation, including the NOC issued for the 7th F-class world championship, United Kingdom in August 2026
- iii. A two (2) year ban from participating in national level competitions, championships, training camps, selection activities, or other events conducted, recognized, sponsored, or sanctioned by PLRA within Pakistan.
- iv. suspension of all privileges, nominations endorsements, and official representation rights associated with PLRA sanctioned activities for the duration of the applicable bans.
- v. restoration of eligibility upon expiry of the applicable bans shall not be automatic and shall remain subject to consideration by the PLRA Executive Committee in accordance with the PLRA constitution and applicable regulations.

10

The two main points in the case that require elucidation and confirmation are whether:

- i. The PLRA or the Adjudicator is the authority competent to award penalties under the law after hearing the parties?
- ii. The penalties are commensurate with the gravity of the charges levelled against the petitioner or are these too severe?

The first hearing was conducted on 30th July 2026, during which both the petitioner and the respondent were afforded an opportunity of being heard, their documents received and their respective submissions noted. Subsequently, for detailed adjudication of the matter, a questionnaire was issued to both parties as well as to the Pakistan Sports Board seeking clarification on certain legal and factual issues. While the petitioner and the respondent responded in writing, verbal and telephonic response was received from the Pakistan Sports Board.

During the three hearings the Adjudicator questioned the petitioner, PSB and the PLRA on the independent fora available for seeking remedies against decisions of the PLRA and whether NOCs could be provided by the PSB in case the PLRA declined to recommend NOC to some persons who wished to participate in international events for which they had invitations at no cost to the Federation or PSB.

The issues relating to the award and then withdrawal of blazer from the petitioner by PSB and whether the award of blazer was recommended by PLRA were raised and require greater explanations. The PLRA and PSB were also directed to provide information of cases where such penalties were imposed by them on individuals.

The Petitioner argues that the first charge of wearing an unauthorized colour blazer is not valid as there is no provision of it in the PLRA constitution about this. He states that in fact the Petitioner was allowed by Pakistan Sports Board (PSB) to use National Colour Blazer on 28-11-2025 and that under Rule 7 (1) PSB is the sole authority to grant national colour. On 3rd May 2026 Petitioner was validly holding National Colour. Subsequently, the award of colour was withdrawn by the PSB but after he had already worn the national colour. However, the PSB and PLRA assert that since the Petitioner did not participate in the F class shooting event in UK for some different reasons and that he should not have worn the blazer. The PSB admits it made a mistake in awarding the colour without weighing all aspects of the matter and thereafter withdrew the award of the national blazer from the petitioner. The petitioner also contends that the PLRA does not have the authority to allow or prohibit athletes from addressing the media.

However, the counsel for the PLRA in defense of his arguments stated that under clause 10.5.14 of the PLRA constitution it is empowered to consider disciplinary cases and to take action against any member unit or individual contravening the Rules of the PLRA. Further under clause 11.11 participation at international level will only be through PLRA. No individual may contact any international competition organizer for participation without obtaining an NOC from headquarters PLRA.

The PSB representative was of the view that the PLRA's constitution permitted them to impose penalties and that the Adjudicator could alter, amend, cancel the penalties after which the matter may be placed in appeal before the PSB for final orders.

The Adjudicator questioned the PLRA if any remedy was available to the petitioner when the Federation rejects request for participation, declines athlete's petition or fails to recommend the petitioner's case? In reply the PLRA counsel stated that under Article 12 dealing with Arbitration the right of appeal was available through Arbitration. The PLRA constitution states 'All disputes arising in the working, functioning and performance of the PLRA and/or any of its PORRA member units within itself or amongst each other shall be resolved through arbitration. No member unit or any member (person) affiliated in any manner with the PLRA

[Signature]

-11-

shall take their disputes of any nature relatable in any manner with the unit or the PLRA to any Court of Law, but the arbitration to be conducted by the President concerned or by any other person so authorized.

A plain reading of the above clause would mean that whereas athletes could approach the PSB, the Adjudicator and the courts of law but the provincial and regional member units would be restricted to having their disputes resolved through their Arbitrators. It appears that there is need for improving the language and text of such clauses to make these easily understandable and to avoid controversy. Same is true of the issues relating to NOCs and it would benefit the cause of sports if the PSB quickly develops its own Model constitution to specifically address all issues.

Orders

- i. From the arguments of the parties and the observations of the PSB, it emerges firstly, that though under its constitution the PLRA has the authority to impose penalties the Adjudicator who is the appellate authority is competent to review the nature, quantum, extent and justification of the penalties awarded after hearing the parties.
- ii. Similarly, under the PLRA constitution it is authorized to issue or not issue an NOC to travel abroad, participate in events within the country, recommend an award or decoration to outstanding sportspersons and allow or disallow athletes to address the media and to provide written reasons in support of their orders. Any party seeking relief against the orders of PLRA or federations are permitted to approach the Adjudicator through the PSB for resolution of their grievances?
- iii. It appears that the PSB did not take a firm and consistent stand on whether the blazer was awarded in accordance with any predetermined criteria or not. One moment the blazer was awarded the next it was withdrawn even as all parties admit that the petitioner was a national hero who won thirty odd medals for the country. The benefit of the doubt should be given to the petitioner.
- iv. I, therefore am of the view that the penalties are very severe in relation to the charges against the petitioner who does not deserve these in the circumstances. However, to ensure that in future all athletes adhere to the rules it is essential that full compliance of the rules must be ensured and the authority of the PSB and federations respected. A written warning may be issued to the petitioner in this regard so that in future all athletes and federations adhere to the letter and spirit of the law. The PSB is authorized to review, accept or reject orders of the federations it considers contrary to the law under the circumstances of the case matters under appeal or review. All other penalties and restrictions imposed by PLRA against the petitioner stand cancelled.

That the respondent was bound to refer the complaint against the petitioner under Clause 6 of the Code, 2024 and had no jurisdiction to decide the same itself.

XII.

That the sanctions can only be imposed by the Adjudicator, as per provisions of Clause 9 of the Code, 2024. Even the essence of the Code, 2024 is the imposition of warnings before any ban is imposed.

XIII.

That as per Clause 11 of the Code, 2024, the Constitution of PLRA, 2022 is hereby impliedly repealed to the extent of Ethics and Governance in sports and their adjudication. Thus the provisions of Constitution of PRLA like 10.5.14, 11.5, 11.21, regarding disciplinary matters are in total violation of Code of Ethics and Governance in Sports, 2024.

(Copy of Constitution of PLRA is Annexure-H)

- XIV. That the charge 1 (a) is factually incorrect. The petitioner was awarded National Color on 28-11-2025 by the Pakistan Sports Board. Thus on 3rd May 2026 petitioner was validly holding National Colour.
(Copy of National Color Holder Notification is Annexure-I)
- XV. That the clause 11.21 of the Constitution of PLRA given in charge 1 (b) is in violation of Constitution, 2022, Code, 2024 and is against the Constitution of Pakistan, 1973. Even otherwise there was no self-propagation or unauthentic claim or defamation of PLRA in the impugned media appearance by the petitioner. Rather the media appearance was full of acknowledgment and praise for PLRA and PSB. Besides, media interaction is not actionable per se under Code, 2024.
- XVI. That the Charge 1 (c) is factually incorrect.
(Copy of Accomplishment is Annexure-J)
- XVII. That the impugned press release is void for another reason of its being issued by the President PLRA rather than Executive Committee, which is in violation of the Clause 10 and 11.15 of the PLRA Constitution, 2022.
- XVIII. That the punishments by the President PLRA are in violation of Law.
- XIX. That the communication of punishments through a Press Release is against Constitutional Rights of the Petitioner. It is defamatory and the petitioner has the right to seek appropriate

remedy against such maligning tactics adopted by the respondent.

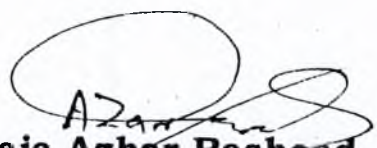

XX. That there is malafide of PLRA evidenced by the fact that confidential internal administrative correspondence was intentionally leaked to unconcerned 3rd party to cause mental agony to the petitioner completely bypassing standard administrative confidentiality protocols.

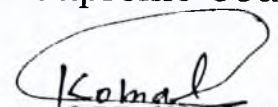

XXI. That the Notice as well as Constitution of PLRA is in violation of ICFRA.

Prayer:

It is, therefore, humbly prayed that the instant petition may kindly be accepted and the Press Release dated 28-06-26 may kindly be set aside and the Respondent may be directed to issue a Press Release on the same scale regarding innocence of the petitioner.

PRESS RELEASE – 28 JUNE 2026
PAKISTAN LONG RIFLE ASSOCIATION (PLRA)
Disciplinary Action – Mr. Mohsin Nawaz (PLRA Membership No 59)

The PLRA remains committed to maintaining the highest standards of integrity, discipline, fairness, and sportsmanship in the administration of long-range shooting in Pakistan. Since its establishment in 2022, PLRA has consistently implemented its Constitution and Code of Conduct to safeguard the reputation of the sport and ensure that all members are held to the same standards of conduct.

Mr. Mohsin Nawaz (PLRA Membership No. 59) is an experienced long-range shooter who has acquired substantial proficiency in the sport over the years. As with all experienced members, he is expected to be familiar with and adhere to the constitutional requirements and regulations governing PLRA activities.

On 3 May 2026, two alleged violations concerning Mr. Mohsin Nawaz came to the notice of PLRA. In the interest of fairness, transparency, and ensuring a level playing field for all members, the President, PLRA, constituted a Disciplinary Committee to inquire into the matter in accordance with the PLRA Constitution and the principles of natural justice.

Mr. Mohsin Nawaz was provided written notice of the allegations, afforded the opportunity to submit a written response, and appeared before the Disciplinary Committee on 24 June 2026. After carefully considering his written submissions, oral representations, and all material placed before it, the Committee concluded on following violations: -

- Wearing and displaying an unauthorized Pakistan Long-Range Shooting National Colour on national media; and
- Appearing on national media without obtaining the No Objection Certificate (NOC) required under Clause 11.21 of the PLRA Constitution.

Mr. Mohsin Nawaz, since 2022, has demonstrated a pattern of violations; (a) In 2022, he was banned by PLRA for one year for the use of unfair means during a competition; (b) He was advised and counseled following a complaint by GBFCA against him for posting inaccurate achievements on his website; (c) Barred from participating in European F Class Championship on

cancellation of his safe shooters permit by GBFCA and NRA UK due to violation of safety protocols.

Considering his recent two violations in light of the evidence on record, and proceedings of detailed hearing session on 24 June 2026; in accordance with the PLRA Constitution and principles of natural justice, the Disciplinary Committee is satisfied, on the balance of probabilities, that both violations committed on 3 May 2026 have been established and warrant appropriate and immediate disciplinary action. Despite previous counselling and lesser disciplinary measures, his cumulative pattern of violations including the recent two shows nonprofessional attitude, disregard for established rules of PLRA and inappropriate code of conduct. Accordingly, the President PLRA has approved the ensuing disciplinary measures, which shall take effect immediately: -

- A three (3) year ban from representing Pakistan or participating in any international long-range shooting competition, championship, training activity, or official delegation conducted, recognized, sponsored, or facilitated by PLRA.
- Withdrawal of all existing PLRA endorsements, nominations, recommendations, and No Objection Certificates relating to international participation, including the NOC issued for the 7th F-Class World Championship, United Kingdom, in August 2026.
- A two (2) year ban from participating in national-level competitions, championships, training camps, selection activities, or other events conducted, recognized, sponsored, or sanctioned by PLRA within Pakistan.
- Suspension of all privileges, nominations, endorsements, and official representation rights associated with PLRA-sanctioned activities for the duration of the applicable bans.
- Restoration of eligibility upon expiry of the applicable bans shall not be automatic and shall remain subject to consideration by the PLRA Executive Committee in accordance with the PLRA Constitution and applicable regulations.

These disciplinary measures have been adopted solely to preserve the discipline, integrity, reputation, sportsmanship, and orderly administration of long-range shooting in Pakistan. They are regulatory rather than punitive in nature and extend only to the extent considered necessary to protect the interests of the sport, its participants, and the effective functioning of the Association.

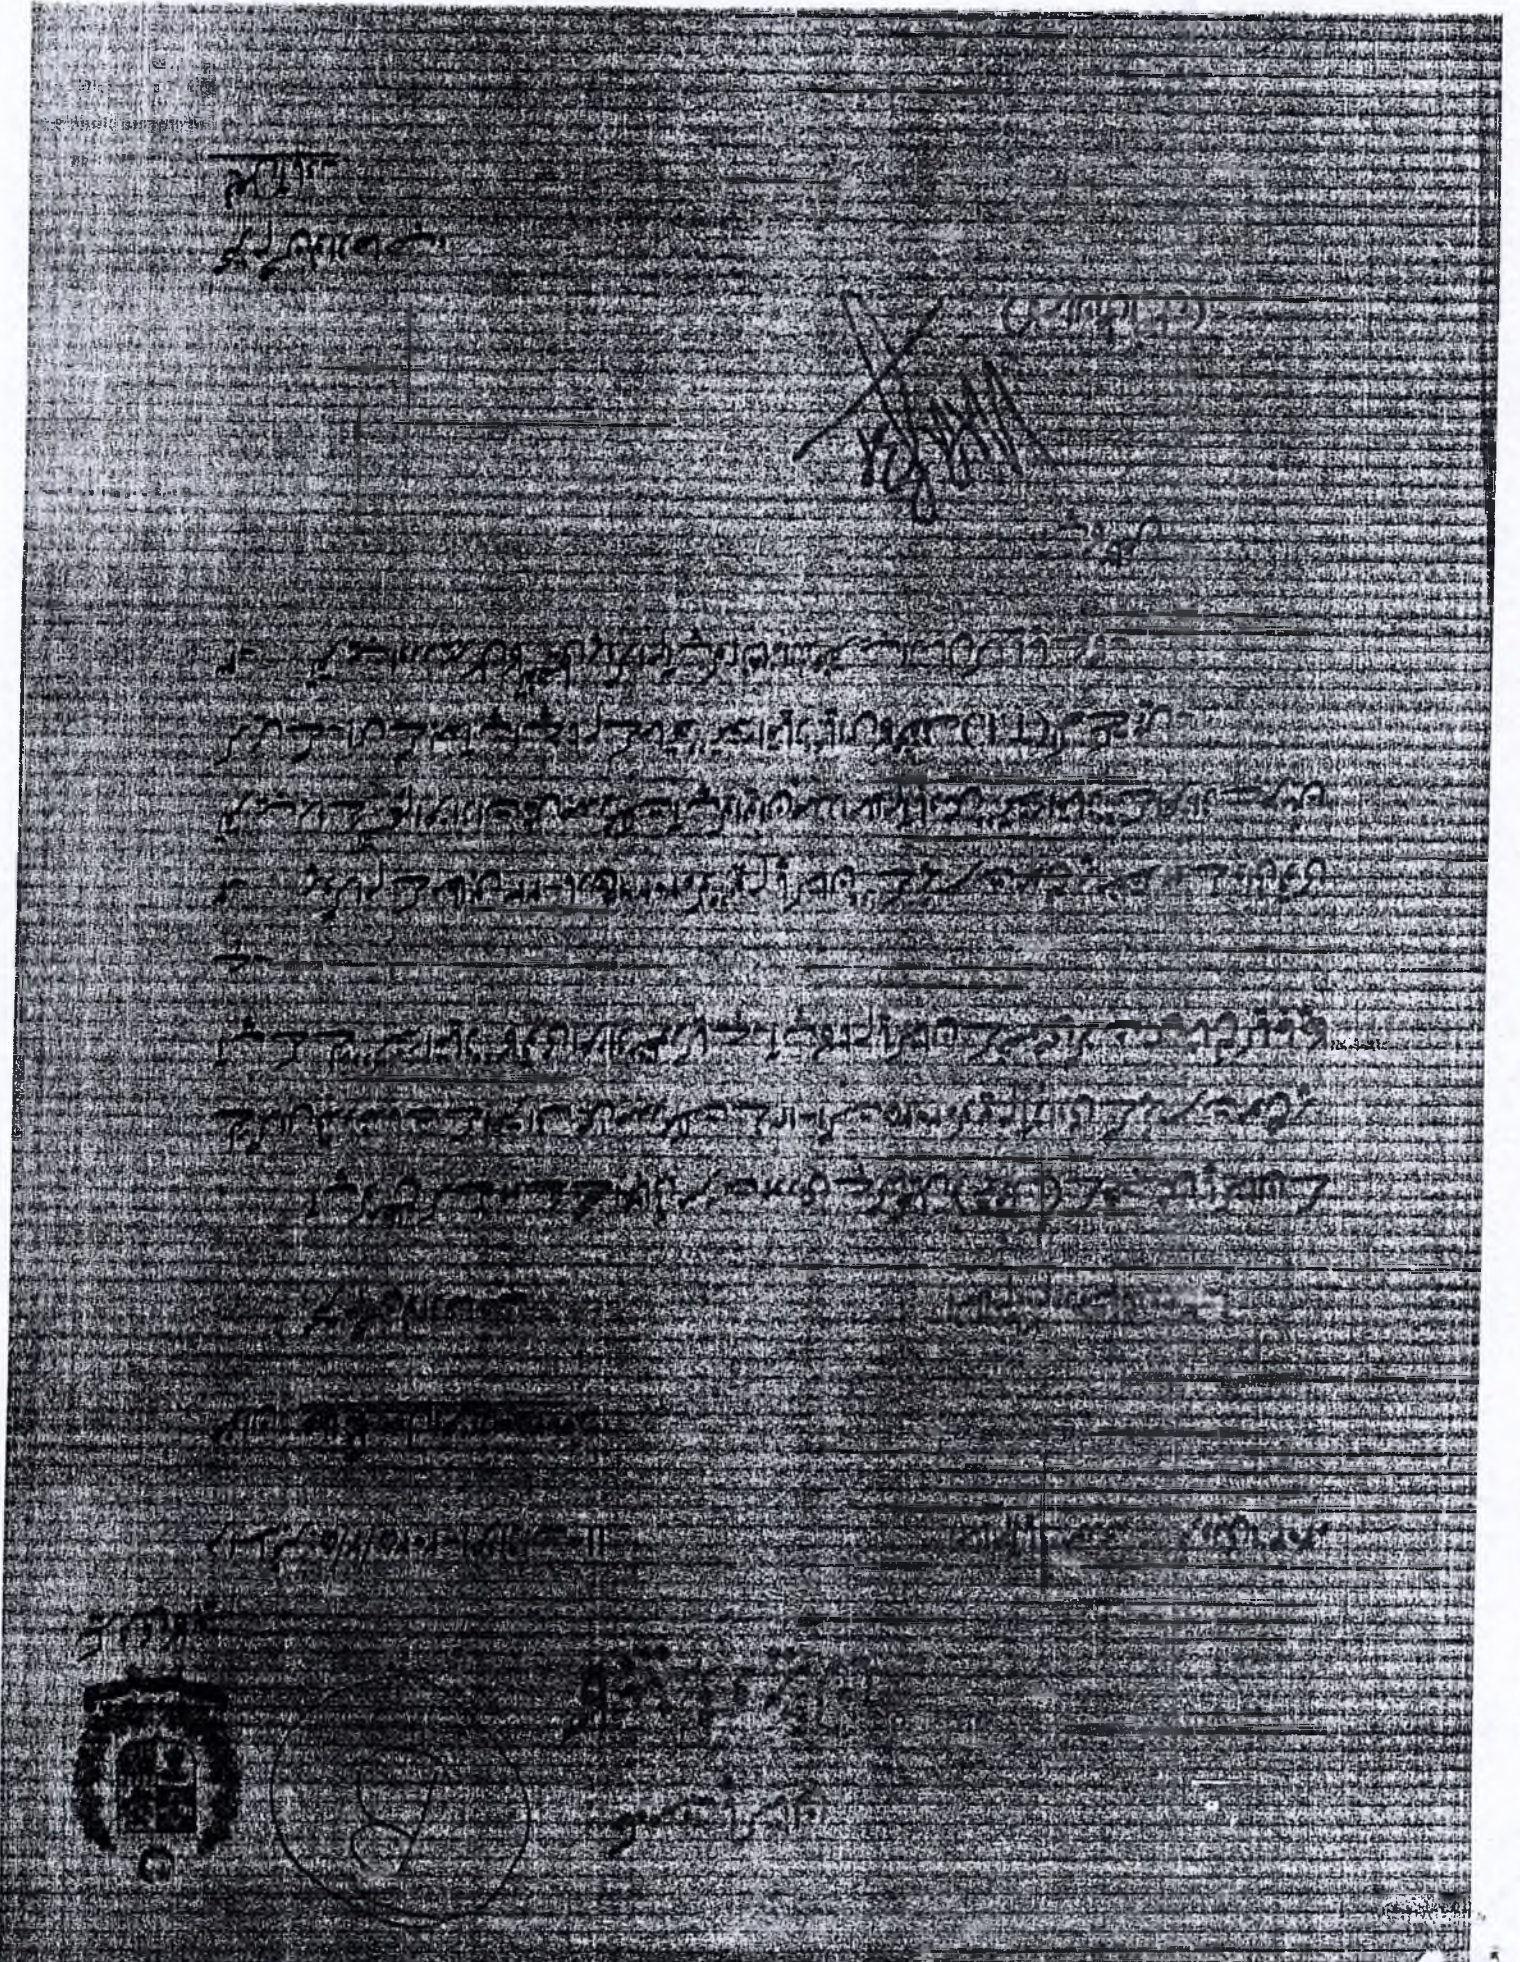

This decision does not terminate Mr. Mohsin Nawaz's membership of PLRA, nor does it prejudice any right of review or appeal available to him under the PLRA Constitution.

This press release is issued for the information of PLRA members, affiliated organizations, relevant sporting authorities, stakeholders, and the public.

Subject: **Notice of Investigation – Violation of Standard Instructions and Procedures**

Dear Mohsin,

1. You are hereby placed under formal investigation and directed to appear before the PLRA Discipline Committee on 1st June 2026 at 1100 hours at Headquarters PLRA, C/O AMU, Jhelum Cantonment, to explain the circumstances that led to the undermentioned violations:-

- a. On 3rd May 2026, you were recognized under the Pakistan Super League's "Hamaray Heroes" initiative during the closing ceremony of the Pakistan Super League 2026 Final held at Gaddafi Stadium, Lahore. During the ceremony, you wore the Pakistan Colour Blazer for Long Range Shooting without holding of National Colour Certificate from the concerned authorities.
- b. Your media interaction during the closing ceremony of the Pakistan Super League 2026 is a violation of PLRA constitution clause number 11.21.
- c. As per the record of your international achievements held with PLRA, your claim of having won 10 international medals does not correspond with the record currently available with the Association, which reflects only 3 verified international medals. You are therefore requested to provide an updated record of your international achievements, along with supporting references/documentary evidence, for review and verification by PLRA. Subject: Reply to Notice of Investigation – Alleged Violation of Standard Instructions and Procedures.

Respected Sir,

I, Mohsin Nawaz TI, Membership No. 59, respectfully submit this reply in response to the Notice of Investigation.

1. At the outset, I appreciate PLRA for providing me an opportunity to explain my position. It is submitted that I have been an active member of PLRA since 31st August 2022. PLRA itself, through its Certificate dated 30th August 2025, acknowledged that I am a competent FTR shooter who has performed well at national and international levels. Furthermore, PLRA vide Certificate/No Objection dated 02nd December 2025 expressly confirmed that I have actively pursued F-Class shooting at national and international levels and contributed positively as a sportsman. These official certifications clearly establish my good standing, integrity, discipline and sportsmanship.
2. Regarding the allegation concerning the Pakistan Colour Blazer, it is respectfully submitted that the same is wholly misconceived. The Pakistan Sports Board, being the statutory apex sports body of Pakistan, approved the National Colour Holder Policy in its 30th Board Meeting held on 10th September 2024. After verification of my sporting credentials and my representation of Pakistan with prior approval/NOC of Pakistan Sports Board, I was officially awarded the status of "National Colour Holder" by Pakistan Sports Board vide Notification dated 28th November 2025. Consequently, my wearing of the Pakistan Colour Blazer was lawful, authorized and fully consistent with the policy of Pakistan Sports Board. Under the Constitution of Pakistan Sports Board, 2022, all affiliated National Sports Federations are bound to comply with the policies and guidelines issued by Pakistan Sports Board.
3. Regarding my media interaction during Pakistan Super League (PSL) 2026, it is respectfully submitted that I was invited under the "Hamaray Heroes" initiative to recognize distinguished Pakistanis who have brought honour to the country through exceptional achievements. My invitation was not for personal promotion but was in recognition of the national honour of **TAMGHA-E-IMTIAZ**, conferred upon me by the President of the Islamic Republic of Pakistan on account of my historic victories, distinguished achievements and contribution in the field of shooting sports. My interaction with media was responsible, respectful and solely aimed at promoting shooting sports and creating awareness regarding the sport. At no stage did I make any statement against PLRA, its office bearers or its policies.
4. Without prejudice to the above, I respectfully submit that any constitutional provision restricting athletes from using media for self-propagation deserves interpretation consistent with constitutional freedoms, internationally accepted sporting practices and the objectives of sports development. Athletes across the world maintain public profiles, share their achievements, engage with supporters and seek sponsorship opportunities. Such engagement does not undermine sports governance; rather it assists in the promotion and growth of sport.
5. As a civilian athlete, I have merely shared my sporting achievements and experiences in a responsible and positive manner. My intention has never been personal aggrandizement at the expense of PLRA or any institution. Rather, my efforts have always been directed towards promoting shooting sports, highlighting Pakistan's achievements and encouraging broader participation in the sport. It is further submitted that my public visibility and interaction with media often relate to the broader field of shooting sports and athlete development and are not confined exclusively to F-Class shooting administered by PLRA.

- 27 - 16
6. After interaction and consultation with international stakeholders, participants associated with the global shooting federations, including members of international F-Class shooting bodies, and others disciplines of shooting Sports. it has become apparent that no comparable blanket restriction exists whereby civilian athletes are prohibited from responsibly using media platforms for promotion of their sporting activities and achievements, and there is no such prior approval exist in their practices. There is no such precedence exist in Pakistan Sports Board constitution as well.
 7. In these circumstances, I respectfully request the Executive Committee to review and reconsider the relevant provision in light of modern international sporting standards so that civilian athletes may continue to promote shooting sports while fully respecting the values, discipline and objectives of PLRA.
 8. Regarding the observation concerning my international achievements and medals, it is respectfully submitted that the record presently available with PLRA appears to be incomplete. For avoidance of any doubt, I have attached a complete and updated record of my international participation, medals, achievements, certificates and supporting documents for verification and updation of the Association's record.
 9. I have always represented Pakistan and PLRA with integrity, discipline and dedication. Though my all the international achievements are due to my family support. There is not a single individual exist in the entire shooting community who participate internationally on his own expense. Every medal that I have today is with the support of my family and my own efforts. There is no liability upon PLRA. The conferment of TAMGHA-E-IMTIAZ, the award of National Colour Holder Status by Pakistan Sports Board and the positive certifications issued by PLRA itself conclusively establish my standing and conduct as a sportsman. I therefore respectfully request that the allegations contained in the Notice of Investigation may kindly be dropped and the proceedings be closed.

Submitted respectfully.

MOHSIN NAWAZ TI

Date: 22/6/2026

Subject: Request for Issuance of NOC for Participation in "King of one Mile and Two Miles" Competition, South Africa.

Respected Sir,

I, Mohsin Nawaz, recipient of **Tamgha-e-Imtiaz**, respectfully submit that I have received an invitation to participate in the prestigious "**King of one Mile and Two Miles**" shooting competition scheduled to be held in South Africa from 12th to 15th of August 2026.

It is submitted that the said shooting format does not presently fall under the jurisdiction or administrative control of any recognized shooting federation in Pakistan, including the Pakistan Long Range Rifle Association (PLRA). Therefore, there is no forum available through which the requisite approval or recommendation may be processed.

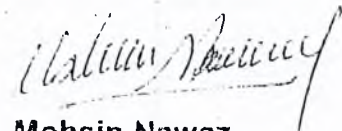

I intend to participate in the event at my own expense and undertake that no financial liability whatsoever shall devolve upon the Government of Pakistan, Pakistan Sports Board, or any public institution. I further undertake to comply with all applicable laws, regulations, visa requirements, firearm transportation requirements, and any conditions imposed by Pakistan Sports Board in this regard.

Participation in this international event will provide an opportunity to represent Pakistan at a prestigious platform and, if successful, bring honor and recognition to the country and the shooting sports community. Being a recipient of Tamgha-e-Imtiaz for my historic achievements in shooting sports, I remain committed to promoting Pakistan's positive image through sportsmanship and excellence.

In view of the above, it is respectfully requested that Pakistan Sports Board may kindly issue the requisite **No Objection Certificate (NOC)** enabling me to participate in the "King of Two Miles" Competition in South Africa.

I shall remain grateful for your kind consideration.

Yours faithfully,

**Mohsin Nawaz Vs Pakistan Long Range Rifle Association
(PLRA)**

Subject: REFERENCE UNDER RULE 23(2) OF THE CONSTITUTION
OF PSB 2022 R/W CL. 5&6 OF THE PAKISTAN CODE OF
ETHICS AND GOVERNANCE IN SPORTS, 2024

**COMMENTS ON BEHALF OF RESPONDENT#01
(PAKISTAN LONG RANGE RIFLE ASSOCIATION)**

Humbly Sheweth;

Preliminary Objections

1. That the petition is false, frivolous and is liable to be dismissed prematurely as such the Petitioner has wrongly invoked the jurisdiction of Worthy Adjudicator without exhausting the remedy available to him under Article 12 of the Constitution of the Answering Respondent (PLRA); and that the averments made in the petition denied by the Answering Respondent give rise to the disputed question of facts which cannot be determined without recording pro and contra evidence, which exercise, the Respondent respectfully submits that same cannot be undertaken before this worthy forum, since, the said Article provides appropriate, alternative & efficacious remedy, therefore, the said aspect of the matter is not covered under Section 23(2) of the Constitution of PSB 2022 r/w Cl. 5&6 of the Pakistan Code of Ethics and Governance in Sports, 2024; that as such the Petitioner is abusing the process of law & forum while filing such false & frivolous petitions.
2. That the Petitioner is not an aggrieved person within the meaning of prevailing laws; suffices it to say that the Petitioner is neither an office bearer of the Federation / Answering Respondent nor he is any rival

81 -

- 22 -

Federation / Association arising from sports industry, so, his petition is incompetent to be heard on merits.

3. That the petition is not maintainable in its present form and is liable to be dismissed since the Answering Respondent has passed a well-reasoned press-release in accordance with law.
4. That the petition is bad for misjoinder & non-joinder of proper & necessary parties to the lis;
5. That the petitioner is not entitled to any equitable relief since his petition is misconceived.

Facts precisely with brief introduction

Para 01 to 04 of the facts are incorrect hence, denied; in response the Answering Respondent Respectfully submits that;

That Section 16 (5) of PSB Constitution empowers the Sports Federations to promote, develop, regulate and maintain general control of their respective sports themselves; the Federation's membership is always subject to prerequisites of PLRA's Constitution; no person can hold any act as legal without permission of the principal.

ON GROUNDS PARAWISE

- I. That this para needs no reply
- II. That this para needs no reply.
- III. That this para needs no reply.
- IV. That this para needs no reply.

- V. That this para is misconceived by the Petitioner, hence, incorrect, as such disciplinary proceedings and such powers rest with the Pakistan Sports Board (P.S.B) only to the extent of affiliation, regulation & to promote sports industry etc. within the meaning of Section 20 of P.S.B Constitution, however, it does not provide any mechanism to intervene within the internal affairs of any Federation rather it promotes & validates the very acts of Federations within the meaning of **S.7(1)(xxxiii)**, (xl) & (xli) **and S.20(14)** of the P.S.B Constitution which reads as below for the able assistance of this Worthy Forum;

"7. **Powers, duties and functions of the Board.—(1)**

The Board shall have the following functions to perform, namely:-

...(xxxiii) *to affiliate, recognize, assist and guide the national games and sports organizations **in executing their programmes of sports activities**; [provisos]...*

...(xl) *to **consider and recommend the affiliation** of national games and sports organizations to international sports associations and federations;*

(xli) ***formulate and approve** vision and mission statements, strategic objections, rules, regulations, codes, operation manuals and to devise policies **relating to efficiency, discipline** and recruitment or any other matters for the players, player support personnel, Board's employees or **those affiliated with or controlled** by the Board;...*

20. **Eligibility Criteria and disciplinary proceedings...**

...(14) *The Federation shall be **autonomous** and resist all pressures of any kind, whatsoever, whether of a political, religious, racial or economic nature...."*

§3 /

- 09 -

(Contd..) As long as the Powers of Learned Adjudicators to take action against any erring player is concerned, same can be only be entertained on reference by the President P.S.B if the Dispute Resolution Committee did not opt the inquiry proceedings to be initiated on an application of any aggrieved party.

- VI. That this para needs no reply.
- VII. That this para is misconceived by the Petitioner as PLRA's Constitution is in well conformity with P.S.B's Constitution as well as its Model Constitution, however, S.21 provides suspension & withdrawal of affiliation only on detection of serious irregularities in the functioning or on inquiry which confirms serious irregularities in the functioning, none else; WHEREAS nothing as such is available on record to connect the Respondent with the violation of the said section; that there is no substance available on record to qualify the wisdom laid down in S.22; WHEREAS the dispute in hand does not relate between P.S.B and the Answering Respondent which fact clearly disentitles the Petitioner to adhere further with any such motion of filing such frivolous petitions.
- VIII. That this para is correct.
- IX. That this para is incorrect, hence, denied, as the charges leveled against the Petitioner are not derived from Cl.5 of the Code, 2024 but those belong to PLRA's Constitution as already mentioned in the Press-Release.
- X. That this para is misconceived by the Petitioner, PLRA's Constitution has been approved by P.S.B in the light of its P.S.B's Constitution which empowers PLRA's legal sanctity of the acts done under PLRA's Constitution itself without any intervention of anyone within the meaning

- 05 -

- 84 -

of Cl.3 of the Code, 2024, as the Pakistan Code of Ethics only supplements and does not replace the disciplinary powers of its affiliated federations, relevant portion is reproduced below for a ready reference;

"3. Introduction:-...

...Therefore, this Code does not contradict or interfere with the autonomy of national sports federations in discharging their functions and duties."

- XI. That this para is misconceived by the Petitioner, hence, denied as the Petitioner has badly failed to point out any violation of the Code, 2024 committed by the Answering Respondent in order to assume the jurisdiction being an aggrieved person within the meaning of Cl.6 of the Code, 2024.
- XII. That this para is incorrect, hence, denied, the Answering Respondent has not exercised any power of overreaching effect, nor any sanction has been imposed by virtue of the Code, 2024.
- XIII. That this para is incorrect as stated above (No.X), hence, denied.
- XIV. That this para is incorrect, hence, denied as Pakistan Sports Board has circulated Notification No.F.9-2/2024-PSB(NF) dated 27-Sep, 2024 for declaring a sportsperson as National Color Holder; whereas Para.3 of the said notification defines the procedure and clause "a)" reads as;

"3. PROCEDURE:

- a) Any sportsperson fulfilling the conditions prescribed in 1 (a & b) above may apply to PSB through the respective National Sports Federation for issuing a National Color Holder Certificate..."*

85 ✓

-06-

(Contd..) whereas the language of above highlighted portion is very clear that PSB was supposed to issue National Color Holder Certificate to any sportsperson who applies for the same through its Federation but P.S.B was incompetent to issue the same through its own motion or to the applicant independently or directly; whereas the Answering Respondent vide its Letters No.01/General dated 02-Oct-2025 & 22-Oct-2025 addressed to P.S.B requested for issuance of National Color Holders Certificate for the designated proposed persons mentioned therein, in response P.S.B vide its Notifications No.19-6/2021-PSB(NF) dated 13-Oct-2025 as well as 27-Nov-2025 awarded the certificates to the proposed notified persons; whereas Notification dated 28-Nov-2025 was an oversight of PSB against which the Answering Respondent vide its Letter No.PLRA/01/General dated 22-May-2026 requested P.S.B to declare Notification dated 28-Nov-2025 as null & void, so much so the Petitioner also did not bother to bring the same fact into the notice of the Answering Respondent (Federation) believing that he himself is a player under the supervision of the Answering Respondent and that he was not recommended for doing so, which is illegal & unlawful and amounted to misconduct; later P.S.B vide its letter No.19-6/2021-PSB(NF) dated 25-May-2026 sought clarification from the Petitioner which he did not address rather opted to file the instant petition. **(Copies of documents are annexed herewith)**

- XV. That this para is incorrect, misconceived, hence, denied as stated above (No.X).
- XVI. That this para is incorrect as GBFCA vide its email dated 14-Sep-2023 has raised serious concerns about the Petitioner **(copy of email is annexed herewith)**

- 57 -

- 86 -

XVII. That this para is incorrect hence, denied as all the members / players etc. are required to act within the available framework of the Federation in order to meet uniformity and sports promotion, however, convening the meetings of Executive Committee is a Rule of Indoor Management which is regularly done in its letter & spirit as per Art. 10 of the PLRA's Constitution, whereas Article 11.3 of the PLRA's Constitution also provides & empowers the Secretary General to take a decision after obtaining orders from the President or the Senior Vice President when holding of a meeting is not possible, same can flexibly be done through posts, telegrams etc. which actions enable its legal sanctity throughout; and PSB cannot ignore the decision of its affiliated National Sports Federation while exercising its own statutory functions as per referred laws mentioned above.

XVIII. That this para is incorrect, hence, denied as the ban imposed on the Petitioner is well within four corners of law, as a result the Press-Release is well-reasoned which requires to be upheld in circumstances.

XIX. That this para is incorrect as stated.

XX. That this para is incorrect, hence, denied, no supportive evidence is available on record in such respect due to which the stance of Petitioner becomes baseless, tainted with malice, thus, may be held unlawful.

XXI. That this para is incorrect, hence, denied, PLRA is a recognized, affiliated & registered body as warranted under the law.

OF PSB 2022 R/W CL. 5&6 OF THE PAKISTAN CODE OF
ETHICS AND GOVERNANCE IN SPORTS, 2024

COMMENTS ON BEHALF OF RESPONDENT #01 (PAKISTAN
LONG RANGE RIFLE ASSOCIATION)
IN COMPLIANCE OF ORDER DATED 06-AUG-2026

Humbly Sheweth;

The Worthy Adjudicator sought following two explanations/ information vide its order dated 06-Aug-2026 to be filed on 12-Aug-2026;

Explanation A

The issues relating to the award and then withdrawal of blazer from the petitioner by PSB and the other award of blazer by PLRA / Respondent were raised and required greater explanations.

Response

1. **PSB Policy – Award of National Colour Holder.** Award of National Colours in sports is governed by a comprehensive notification of PSB dated 27th September 2024, (**Annexure 'A'**). *The notification defines the eligibility, criteria and procedure; with formal role of sports federations/associations in recommending sportspersons;* to ensure merit, quality, and transparency in the award of prestigious National Colours.
2. **PLRA Recommendations – Award of National Colour.** In 2024/25 PLRA recommended names of long-range shooters; who represented Pakistan in international events as members of the National FTR and F-Open Teams for the award of National Colour on 2nd and 22nd October 2025 (**Annexures 'B' and 'C'**); which were approved through notifications of PSB on 13th October and 27th November 2025 respectively (**Annexures 'D' and 'E'**). Mr. Mohsin Nawaz's name was never

90 - 02 -

forwarded, recommended, or initiated by PLRA for the award of a National Colour Holder Certificate from the PSB.

3. **Wearing of Pakistan Colour Blazer by Mr. Mohsin Nawaz.** On 3rd May 2026, Mr Mohsin Nawaz while giving interview at the closing ceremony of the PSL, 2026, was seen wearing Pakistan Colour green blazer associated with long-range shooting. Once asked by an official of the Discipline Committee of PLRA regarding wearing of Pakistan Colour, Mr. Mohsin Nawaz shared a letter/notification purportedly issued by the PSB; that authorized him National Colour in long-range shooting (**Annexure 'F'**). The quoted letter of PSB was issued to Mr Mohsin Nawaz on 28th November 2025 on the basis of his participation in the European Championship 2025; held in August/September 2025. It is pertinent to mention that Mr Mohsin Nawaz **did not even participate in the event for which he was awarded the National Colour by PSB** (European F-Class Long Range Championship 2025 held at UK). Furthermore, the distribution list of the claimed notification was only addressed to the shooter and did not include PLRA as the relevant National Sports Association; responsible for verification, recommendation, and record.

4. **Clarification from PSB – National Colour Mr. Mohsin Nawaz.** On 24th May 2026, PLRA formally sought clarification from PSB (**Annexure 'G'**) regarding Mr. Mohsin Nawaz's claim of having been awarded the National Colour Certificate by PSB. The Vice President, PLRA, met the Director General, PSB, who, after examining the relevant record, acknowledged an institutional oversight in the processing of the case and ordered the issuance of a supersession notification (**Annexure 'H'**), resulting in the cancellation of the earlier notification issued in favour of Mr. Mohsin Nawaz.

5. It is also highlighted that Mr Mohsin Nawaz is an experienced shooter and is aware of PSB policies and PLRA regulations. He, of all the people knew that he had not represented Pakistan FTR or F Open Team in any capacity in European F Class Championship 2025. Therefore, it was primarily his individual responsibility to immediately inform PSB or PLRA on receipt of any notification issued as a result of an oversight. On the contrary, he did not raise concern regarding the anomaly and continued to act upon it without seeking its rectification.

-91-
-03-

Explanation B

The PLRA and PSB were also directed to provide information of cases where such penalties were imposed by them on individuals.

Response

Since the raising of the Pakistan Long Range Rifle Association (PLRA) in 2022, there has been only **one previous disciplinary case** involving a shooter prior to the present matter, and that case was also against **Mr. Mohsin Nawaz**.

During the conduct of the "**Open National Challenge Rifle Match 800M F Open – 42nd PARA Central Meet 2022**" in September/October 2022, Mr. Mohsin Nawaz exhibited an unacceptable demeanour and resorted to "**unfair means,**" thereby violating the established standards of sporting ethics, fair play and sportsman like conduct.

When confronted regarding the incident, Mr. Mohsin Nawaz initially denied having used unfair means. However, he was subsequently confronted with **video evidence of the incident**, which established the basis for the disciplinary action.

Following due disciplinary proceedings conducted by **PLRA**, Mr. Mohsin Nawaz was imposed a **one-year ban from participation**, effective **12 October 2022 (Annexure 'I')**. It is therefore pertinent to place on record that the disciplinary action taken against Mr. Mohsin Nawaz in 2026 was **not an isolated or unprecedented action** by PLRA. It followed an earlier disciplinary case against the same individual in 2022, in which a one-year participation ban had been imposed for conduct involving unfair means and violation of sportsman like standards.

The present proceedings must consequently be viewed in the context of the Association's established disciplinary framework and its responsibility to maintain the integrity, discipline, fair play and reputation of long-range shooting as a sport.

That the PLRA was established in 2022, and the Petitioner's case is one of first impression. However, Constitution of PLRA is in well consonance /

92- 04-

conformity with the Model Constitution of P.S.B; it has already been approved by the Worthy Board of P.S.B and is also in conformity with the intl. federations of the Sports' establishments, i.e. IOC/ICFRA which follows the spirit of Disciplinary Matters as envisaged in the Constitution of ICFRA. (Copy of P.S.B's Notification No.F.9-2/2024-PSB(NF) dated 24th Dec, 2024 is attached an (**Annexure 'J'**)

Rule 61. Of Court of Arbitration for Sports mandates that any dispute arising on the occasions of / or in connection with the Olympic games must be submitted to the Court of Arbitration. (Intl. Olympic Charter)

Rule 71. Of the Constitution of the International Confederation of Fullbore Rifle Associations provides a mechanism for conducting Arbitrations.

Cl.10.1.15 of Pak Olympic Assn. provides that all disputes shall be resolved thr Arbitration process.

SUPPORTIVE WRITTEN ARGUMENTS

1. That the instant comments may be considered as an integral part in pursuance of already submitted ones, on behalf of the Answering Respondent despite the fact that the Petitioner has not substantiated any claim on such issue in his petition's prayer but the Answering Respondent holds this worthy forum in the highest esteem and assures its utmost respect and future compliance with all directions in letter & spirit; having said that the ambit of such proceedings are equipped with the scope of work of resolution of disputes only to those which are referred to the forum by the President P.S.B.
2. That the Petitioner is deliberately seeking adjournments and making delay tactics while creating distractions to the fact in issue which could lead to miscarriage of justice.
3. That no further adjournment may be granted to the Petitioner.

-05-93-

PRAYER

In view of the above facts & circumstances of the case, it is, therefore, respectfully prayed that the petition under the instant comments, may kindly be dismissed with special costs in the best interest of justice.

Any other relief which this Hon'ble Forum deems fit & proper in favor of Answering Respondent may also be awarded.

Subject: Award of National Colour to Mr. Mohsin Nawaz by Pakistan Sports Board

Reference: Telephone conversation between President PLRA and DG PSB dated 20th May 2026.

1. Pakistan Long Range Rifle Association (PLRA) presents its compliments to the good office of the Director General Pakistan Sports Board (PSB).
2. Award of National Colours in sports is governed by a comprehensive notification of Pakistan Sports Board (PSB) dated 27th September 2024, (Annex 'A'). The notification defines the eligibility, criteria and procedure; with formal role of sports federations/associations in recommending sportspersons; to ensure merit, quality, and

transparency in the award of prestigious National Colours. Paragraph 3 of the said PSB notification clearly explains that any sportsperson fulfilling the prescribed eligibility conditions for award of National Colour is to be recommended to PSB through respective sports federation / association. In 2025, PLRA recommended names of long-range shooters; who represented Pakistan in international events as members of the National FTR and F-Open Teams for the award of National Colour on 2nd and 22nd October 2025 (Annexes 'B' and 'C'); which were approved through notifications of PSB on 13th October and 27th November 2025 respectively (Annexes 'D' and 'E').

4. On 6th May 2025, PLRA requested PSB for issuance of NOC to Pakistan Long Range Shooting Team for participation in the European F-Class Shooting Championship 2025 (Annex 'F'). The PSB approved the NOC on 22nd August 2025 (Annex 'G'). Mr. Mohsin Nawaz was part of the Pakistan National FTR Team. While in UK and prior to the commencement of the competition, PLRA/ Team Pakistan was informed by the Great Britain F-Class Rifle Association (GBFCA) and the National Rifle Association (NRA) UK that "**Safe Shooter Permit**" of Mr. Mohsin Nawaz had been cancelled due to violations of safety protocols and he had been banned from participation in the European F-Class Shooting Championship 2025. In response, PLRA formally intimated NRA on 26th August 2025 regarding dropping of Mr. Mohsin Nawaz's name from Pakistan FTR Team Squad till the completion of legal proceedings in UK (Annex 'H') Consequently, Mr. Mohsin Nawaz did not participate in the European Championship UK 2025, either as a shooter or as a technical/administrative member of the Pakistan FTR/ F-Open Team.

5. On 3rd May 2026, Mr Mohsin Nawaz while giving interview at the closing ceremony of the PSL, 2026, was seen wearing Pakistan Colour green blazer associated with long-range shooting. Once asked by an official of the Discipline Committee of PLRA regarding wearing of Pakistan Colour, Mr. Mohsin Nawaz shared a letter/notification on 20th May 2026 purportedly issued by the PSB; that authorized him National Colour in long-range shooting

(Annex 'I'). The quoted letter of PSB was issued to Mr Mohsin Nawaz on 28th November 2025 on the basis of his participation in the European Championship 2025; held in August/September 2025. Whereas, Mr. Mohsin Nawaz has never represented Pakistan FTR or F-Open Long-Range Teams in any international competition, in any capacity; and has never been recommended by PLRA for the award of Pakistan Colour. Furthermore, the distribution list of the claimed notification was only addressed to the shooter and did not include PLRA as the relevant National Sports Association; responsible for verification, recommendation, and record. This is highly unusual, as previous notifications issued by PSB pertaining to award of National Colours included PLRA in the distribution list.

6. Foregoing in view, PSB, is requested to kindly verify the authenticity and accuracy of the above-referred notification/letter. If not authentic, it automatically stands null and void and PLRA will follow up as per its regulations. In case it was erroneously issued by any member of PSB staff as an oversight; the same may please be immediately cancelled as it is not in line with the PSB policy on the subject.

7. It is also highlighted that Mr Mohsin Nawaz is an experienced shooter and is aware of PSB policies and PLRA regulations. He, of all the people knew that he had not represented Pakistan FTR or F Open Team in any capacity in European F Class Championship 2025. Therefore, it was primarily his individual responsibility to immediately inform PSB or PLRA on receipt of any notification issued as a result of an oversight. On the contrary, he did not raise concern regarding the anomaly and continued to act upon it without seeking its rectification. In this context he has been requested to appear before the disciplinary committee of PLRA on 1st June 2026 (Annex 'J').

8. PLRA is grateful to PSB for its unwavering support in all aspects of the sport and assures highest cooperation. PLRA remains fully committed to upholding the integrity, transparency, and highest standards of Long-Range Shooting in Pakistan. It will be the utmost endeavor of the institution to ensure that all matters pertaining to the sport are dealt in accordance with PSB policies, applicable rules, and principle of fair play.

9. On receipt of response from the good office of PSB, the matter shall be processed for the perusal of the Patron-in-Chief, PLRA.
10. Forwarded for necessary action, please.

Request for Clarification on Mohsin Nawaz's Claims UK 2023

GBFCA Members <gbfcaconcernedmembers@gmail.com>

to me

Dear Pakistan Long Range Rifle Association,

We hope this email finds you well.

We are writing on behalf of several concerned members of the Great Britain Rifle Association. We have recently come across the website Mohinnawaz.com, where Mr. Mohsin Nawaz claims numerous prima facie false achievements in the realm of shooting sports.

While we strive to maintain camaraderie and support between fellow associations, it's with deep regret that we address the following:

- A- Mr. Nawaz claims to be a 25-time National champion and a seven-time International Champion. This seems blatantly false.
- B- He alleges to have won the 2023 F class World championship, an event where many of our members participated and do not recall seeing him. His name did not appear in participants' list.
- C- His assertion of victory in the 2022 South African Open Championship appears to be exaggerated, given that our records indicate he was not close to the top.
- D- Lastly, his claim of placing 2nd in the recent European Championship is misleading. It has come to our attention that he secured 2nd in only one of many matches, with an overall placement of 22nd.

While individual accomplishments and personal brand-building are essential, we believe it's vital to uphold truthfulness, especially when representing our beloved sport and respective countries.

These claims, if not accurate, cast a shadow not only on Mr. Nawaz but inadvertently on the reputation of Pakistan's shooting sports community in the eyes of British shooting community.

We kindly request your association to look into this matter and set the record straight. We believe that by addressing this proactively, we can ensure the integrity of the sport remains intact and the relationships between our two country's sportspersons remain strong and based on mutual respect.

Thank you for your understanding and cooperation.

Warm regards,

Concerned Members
Great Britain Rifle Association
